

2023 Smith Flat Light Rosé

The 2023 Light Rosé, crafted from a blend of Cinsaut and Grenache and dealcoholized to 8%, offers a unique and refreshing experience. Aromas of ripe plum and candied orange peel are complemented by hints of cream soda vanilla and butterscotch, creating a delightful bouquet.

On the palate, this light Rosé features vibrant notes of key lime followed by a finish of tart blood orange glaze and a hint of lees. This lower-alcohol wine maintains a bold and satisfying flavor profile, perfect for those seeking a lighter option without sacrificing taste. Enjoy now through 2026.
