

2023 Rosé

The 2023 Rosé is a delightful expression of freshness and balance, crafted from a blend of Cinsaut and Grenache. This wine greets you with light and approachable aromas of fresh orange zest and a hint of candied lime peel, complemented by notes of watermelon and the subtle scent of wet slate after a first rain.

On the palate, the Rosé is bold and refreshing, yet perfectly balanced and crisp. Predominant flavors of citrus peels—lime, lemon, and grapefruit—create a vibrant and invigorating profile. This Rosé is ideal for sipping on warm days, offering a refreshing and satisfying experience. Enjoy now through 2026.
